To whom it may concern,

I am writing this letter to confirm VADO'S policy of care of the mixer.

Care of the mixer

Our products are finished to the highest standard and due care needs to be taken to ensure their looks are retained.

We recommend cleaning all products with a soft damp cloth ONLY and advise strongly against the use of ALL cleaning products i.e. powders and liquids.

If the above instructions are not followed this will invalidate your guarantee in the event of a problem occurring.

Our guarantee can be found online at [www.vado.com](http://www.vado.com)

Regards

Paul Hegarty
